The upper limit of bonus is USD\$20,000, which means that the deposit of USD\$100,000 or more, can only get up to the bonus of USD\$20,000. Do take note that the transfer of funds between multiple accounts cannot be considered as a new deposit.

The below chart refers to the Withdrawal of the Bonus, under this promotion:

* The bonus is 20% of the total deposit within one day.

** The minimum trading volume required for withdrawal is 30% of the bonus transferred to the MT4 trading account.

For example, 30% of the bonus USD\$2,000 = $2,000 \times 0.30 = 600$ lots.

Before the specified number of lots is completed, when there are new deposits, the number of lots required for withdrawal will be superimposed. The number of lots required will also be 30% of the bonus of the MT4 account.
